

LLEITHYR FARM

traditional pembrokeshire holidays by the sea

Located on the St Davids peninsula, **Leithyr Farm** is an ideal base for exploring the beautiful Pembrokeshire Coast National Park. Less than two miles from the Cathedral city of St Davids and just half a mile from one of the world's finest beaches at Whitesands, we are the perfect destination for walkers, families, water sports enthusiasts and nature lovers.

THINGS TO DO

With dozens of beautiful sandy beaches to choose from, hundreds of miles of coastal walks, country towns to visit, castles to explore and the ancient Cathedral city of St Davids on our doorstep, Lleithyr Farm is well loved by couples and young families alike. More adventurous visitors are also well catered for, with boat trips, surfing, climbing, coasteering, horse riding, golf, a waterpark and even rollercoasters on offer locally.

THE SITE

Located down a quiet country lane just one and a half miles from St Davids and half a mile from Whitesands, we provide seclusion without you having to sacrifice easy access to local attractions. We have more than 90 pitches (most with electric hook-up) and cater for touring caravans, motorhomes and tents. We have two modern toilet and shower blocks, with family cubicles, hairdryers, disabled access, dedicated washing up facilities and a fully featured laundrette. We also offer useful services like ice-pack freezing, phone charging and electric hook-up lead rental.

THE SHOP

Each morning our campsite awakes to the smell of freshly baked croissants, fresh bread and locally farmed bacon, giving a stay at Lleithyr Farm a flavour that's hard to beat. Our family run shop has an

in-store bakery, butcher's counter, fresh fruit and veg, newspapers, groceries, ice creams, off-licence, barbecues, camping equipment, Calor Gas refills and a wide selection of beach goods and gifts.
